RULES / REGULATIONS TO FOLLOW WHEN LEAVING OUR EVENT / OUR COUNTRY:

Public transport:

It is required to wear a mask while it is nearly impossible to keep the 6ft (1.5 meters) distance from other travellers.

You have to wear the mask when arriving at the train/bus station or even at a boat. The mask has to be worn in all public buildings, toilets and while traveling by bus, train or by boat.

Try to avoid paying cash.

Taxis:

You are required to wear a mask. The driver may ask you a few questions regarding your current health and if you may have any symptoms that could have to do with the COVID virus. If you answer any questions with yes, he/she may decline to give you a ride.

Airport/Schiphol:

Rules and regulations

<https://www.schiphol.nl/en/page/coronavirus/>

When you fly you need a health declaration (see Schiphol site mentioned above), a negative test result or proof of recovery for every time you fly.

See the 10 most important measures on the site above please.

Again, you are required to wear a mask in all public places, buildings and toilets.

Upon arrival to your destination please redirect yourself to your local websites and guidelines and follow the procedures given when arriving from The Netherlands.

Thank you for your visit and please stay safe.
